**COME SUPPORT
COMMUNITY YOUTH EDUCATION PROGRAMS
WHEN YOU SHOP AT THE FARMERS MARKET!**

BeMoneySmartUSA
Personal Finance & Business Education

BeMoneySmartUSA is a local non-profit training organization specializing in financial and business education for youth in the community.

BeMoneySmartUSA supports community outreach projects, youth organizations, local schools, clubs, and groups interested in assisting youth to develop vital life skills to financially succeed in their lives now in their future. All programs, trainings and resources are offered for FREE to youth and their families through sponsorship support from our partners, grants, and individual donations.

The *BeMoneySmartUSA Farmers' Market* is an ongoing fundraising program that helps us continue to provide financial literacy and entrepreneurship programs to youth and adults in the Sacramento, Placer, Yolo, and Yuba Counties. Your patronage helps to support local farmers, educate a teen in personal finance and business, and provide you and your family with quality foods for your health and well-being.

For more information on how to sponsor, book, or register for any of our programs please visit us on the web at:
